DETAILED PREDICTIONS

You were born under the vibrations of Sun. You are very independent in your views, full of originality and creative in your desires. Success, unless brought by very exceptional circumstances, is likely to be delayed until your latter years, but you have every promise that it will come in the end.

At heart you are very thoughtful and serious-minded, and extremely thorough going in everything you undertake. You are level-headed and practical and not easily motivated or influenced by other persons views. You have a "set purpose" at the back of all your plans, never giving in or allowing yourself to be discouraged by difficulties.

Although having a very generous nature, you quickly resent any attempt to be imposed upon and carry out your own charities in your own way.

You are decidedly ambitious and likely to rise beyond your fellows and other members of your family. Many obstacles may come in your path, but by your patience and determination you will overcome all difficulties.

You are frugal and cautious in financial matters, investing your money well in business or industries that promise a good return. You make the most out of any opportunities that present yourself and endeavor to make the best out of any situation you may find yourself placed in. You have a strong magnetic influence over other, especially in any life that may bring you before the public. At the same time you may expect to meet much scandal at different times in your career.

You will be inclined at times to suffer from severe chills, rheumatism and arthritis. To avoid these, you should live in high, dry climates as much as possible.

To increase your magnetic vibrations and to make yourself more fortunate, you should wear or at least have in some part of your clothing, the colors of the Sun i.e. all shades of gold or yellow, or bronze to golden brown.

Your lucky jewels are Diamonds, Sapphires and Amber. The most important or climatic years in your life are the 10th, 19th, 28th, 37th, 46th, 55th, 64th, 73rd, and the 4th, 13th, 22nd, 31st, 40th, 49th, 58th, 67th and 76th year.

PREDICTIONS AS PER YOUR ZODIAC-SIGN SCORPIO

You were born under the influence of Sign Scorpio i.e. house of Mars. You born under this Sign are either extremely good or extremely bad. You either take after the qualities of the Scorpion or those of the Eagle.

Up to about 21 years of age, you are generally extremely pure-minded, virtuous and religious, but if your sex-nature is aroused, you often swing in the opposite direction.

You are intensely emotional, which is the keynote of your nature in all phases. You have unusual magnetic power make excellent doctor, surgeon, healer, preacher and orator. In public life you have great power over an audience and can sway it in any direction you please. You have command of language, both in speaking and writing, and are intensely dramatic in your power of description. Your greatest weakness is that you are by nature too adaptable to those with whom you are thrown into contact. In consequence, you often suffer from the faults of others. You are at heart great humanitarian, extremely generous and self-sacrificing. In dangers and in sudden emergencies you are cool and resolute in action and can always be depended on in a crisis.

You have extremely original ideas in any business, politics, literature or anything that engages your mind, and are usually successful in whatever you undertake. You suffer as a rule curious reverses of fortune; you are often strangely slandered by false rumors and stories circulated about you, and are more or less "Children of Fate" in the battle of life. You are mental fighter, more than on the physical side. You are excellent as diplomat and negotiator in any form, and excel in settling other people's quarrels and bringing together.

You generally have or make two source of income. You go through a great deal of trouble, difficulty and often privation in your early years; but such trials seem to increase your willpower and ambition and sooner or later success and fame nearly always crown your efforts.

You are extremely very hard worker in any profession or business in which you are associated. You do not spare yourself in any way. Your willpower and determination force you onwards like a lash to take on work and still more work.

You make able government servants, being particularly gifted in handling diplomatic situations or being engaged on secret missions. You often make successful detective or police executive, having a peculiar instinct in unearthing crime.

You also be a good scientist, chemist or assayer, especially in everything concerning liquid. You have often an inclination to engage in dangerous enterprises such as the dis-

covery of hidden treasure, lost mines and anything that relates to the mysterious and often risk your life in such pursuits.

The higher Scorpio type take a deep interest in all forms of occultism and psychical research, while the lower type incline toward association with the "under-world" and secret societies.

Your early years are usually delicate and pass through more than the average amount of childhood's ailments. Your illnesses are generally related to the large intestine and excretory part of the system. You are liable to suffer from such things as fistula, hemorrhoids, inflammation of the bladder, dangers to the sex organs, and trouble with the glands of the body. In passing through life you seldom escape from having some accident or permanent injury to your hands. The upper parts of the lungs are usually a weak spot, as is also the bronchial tubes. After your 21st year, you exhibit an extraordinary resistance to disease. If you are suffering from any of above disease, use the following Biochemic Salt:-

****CALCARIA SULPH****

You experience the most unusual "ups and downs" of fortune. You are inclined to be too trustful and over-hopeful. You are easily persuaded into schemes that have no solid foundation. You are also over-generous and inclined to be too lavish in your expenditure. You have little self-defense against any appeal for help, especially if it comes from one of your opposite sex. Money seems "to burn in your pocket"; you may make it by your mental abilities but you seldom can hoard it up to any great extent. If circumstances permit you then you travel considerably and easily adapt yourself to new conditions and surroundings.

Remedy:

To get positive vibrations of this sign, take bath with Scorpio Oil daily.

N.B. The above predictions are given for your Zodiac Sign as per Cheiro Astrology.
