

Remedies

Main Gate

Remedies for Main Gate:

- 1). Hang Ba Gua mirror on main gate.
- 2). Hang crystal ball in the first room of entrance.
- 3). Main doors should open inside so that the energy may come inside.
- 4). It is good to decorate a house's entrance with pictures or statues of Laksmi, Ganesh or Kuber and auspicious signs such as OM or the Swastika.

Tips for main gate

- 1). The main door of the house should be larger than the other doors entering the house.
- 2). The main door should have two shutters and open to the inside of the building. Teak is a good material for the entrance door.
- 3). The main door should not be situated across from the main door of another house. The entrance doors of two houses should not be exactly opposing one another. Neither should two houses share a common entrance.
- 4). If the entrance of the house is to the south, there should not be a balcony or verandah in front of the door.
- 5). There should not be an underground tank, septic tank, or canal under the main entrance. There should not be any abandoned, wrecked buildings in front of the main entrance.
- 6). Shoes should not be kept in front of the main door, but to the side.
- 7). The door should not be slanted, sliding, or circular.
- 8). There should not be any tree or electric pole in front of main gate.

Bed Room 2

Remedies for Bed Room

- 1). Hang Crystal Ball in the bed room.
- 2). Spray Holy essence daily for love, peace and prosperity.

Tips for Bed Room

- 1). Always sleep with your head in the East or South side.
- 2). The dressing table or mirror should be placed on the Eastern or Northern walls and strictly not facing the bed. This ensures a blissful married life
- 3). Locker used to keep money should be facing North direction
- 4). Avoid to have an aquarium or real plants in the bedroom
- 5). If you have an attached bathroom, make sure it does not directly face your bed and the door is closed at all times.
- 6). Avoid placing divine idols in the bedroom. The best place for them is your pooja room.

Pooja Room

Remedies for Puja Room

- 1). Keep Statue and hang pictures in North East Direction.
- 2). Hang Crystal Ball in the Puja Room
- 3). Recite mantras with quartz crystal rosary.

Puja Room Tips

- 1). The puja room should never be made in the bedroom.
- 2). The puja room should not be made above electrical appliances or gas stoves.
- 3). The puja room should not touch the same wall as the toilet.
- 4). The puja room should not be built opposite a bathroom or toilet.
- 5). The puja room should be neat and clean. Avoid dirt or clutter therein and keep it fragrant.
- 6). The ground floor is the ideal location for a puja room.
